Use this EOB as a reference or retain as needed.

If you are covered by more than one health benefit plan, you should file all your claims with each plan.

Disclosure of Provider Status

Not all physicians and providers at contracted facilities (hospital, ambulatory surgical center, etc.) are contracted with your plan. If you receive health care services at or through a contracted facility and the physicians or providers who provided that care are not contracted with your plan, the services may be denied or paid at the non-network level. In those cases, you may be responsible for payment of all or part of the fees for those services. In these situations, the facility or non-contracted physician or provider can choose to bill you for the balance not paid by the health plan for non-covered or out-of-network services unless balance billing for those services is prohibited. Should you have a complaint regarding payments of health care services, you may contact the Texas Department of Insurance Consumer Protection Division at 1-800-252-3439.

Texas Department of Insurance Notice

- You have the right to an adequate network of preferred providers (also known as “network providers”).
 - If you believe that the network is inadequate, you may file a complaint with the Texas Department of Insurance.
- You have the right, in most cases, to obtain estimates in advance:
 - from out-of-network providers of what they will charge for their services; and
 - from your insurer of what it will pay for the services.
- You may obtain a current directory of preferred providers at the following website: uhcsr.com or by calling 1-866-764-7737 for assistance in finding available preferred providers.

Your rights as a member continued

- If you are treated by a provider or facility that is not a preferred provider, you may be billed for anything not paid by the insurer.
- **Dates of service prior to 1/1/2020: You may be able to reduce some of your out-of-pocket costs for an out-of-network medical or health care claim that is eligible for mediation (if the services were received prior to 1/1/20) by contacting the Texas Department of Insurance at: www.tdi.texas.gov/consumer/cpmmediation.html or by calling 800-252-3439.**
- If directory information is materially inaccurate and you rely on it, you may be entitled to have an out-of-network claim paid at the in-network percentage level of reimbursement and your out-of-pocket expenses counted toward your in-network deductible and out-of-pocket maximum.
